

NOVEMBER

This week we have been busy writing our beautiful firework poems. We also spoke about Remembrance Day and painted a poppy field. We enjoyed playing Welsh games on the yard to help us learn about colours, we had lots of fun using the parachute! We have been practicing our letter formations and are having a go at sounding out words! We have also been on a shape hunt around the school to help us reinforce shape recognition.

The children were a credit having their photos done, they were all so well mannered and polite to our visitors.

Our letter for next week is 'b' the rhyme is 'down the laces to the heel and around the toe'. Next week, we will start learning about Stick Man. For homework please can you talk to the children about their family. Please feel free to send some pictures to FrancisN19@hwbcymru.net so that the children can talk about their family to the class.

Many thanks for all your support,
Mrs Jeffries
