1. Break up the chocolate!

Me struggling to break the chocolate

2. Melt the chocolate in a microwave for about a minute and a half (but if i was you i would do thirty second bursts until melted).

Meanwhile, break your digestives into small pieces in a bowl.

3. When the chocolate is melted stir until there is no lumps and tip the broken pieces of digestives into the chocolate.

4. Add marshmallows (if you're not vegetarian) and stir.

5. Next cut up the Crunchies into bits, add to the bowl and mix.

6. Tip into a grease proof paper lined tray and level out. Sprinkle Crunchies on top (optional).

7. Add into fridge for about half an hour.

8. Cut into smaller pieces

Enjoy!

I've brought in thirty and two with no marshmallows!
