10<sup>th</sup> April 2025

Dear Parents and Carers

As you are already aware, a Very Important Pupil (V.I.P) activity week has been arranged for our Year 6 pupils during the week of 16<sup>th</sup> – 20<sup>th</sup> June 2025. The children will be taking part in the following activities:

- River Walking at Ilston
- Stand Up Paddle Boarding at North Dock
- Adventurous Activities at Clyne Farm
- A Mystery Tour in the local area
- Tubing, Tobogganing and Miniature Golf at Pembrey Country Park

We hope that the week will enrich the curriculum and provide them with opportunities to build resilience, develop independence, problem solve and to come up with solutions when they are faced with challenges. The activity week will lend itself to strengthen these transferable skills for everyday life, important skills that they will need for secondary school. It will also support their decision making and creative thinking, and of course, strengthen friendships as they enjoy spending time with one another in new environments.

Our Chair of Governors, Cllr. P Hood-Williams, has kindly donated £500 from the Community Council Ward Budget towards our Year 6 pupils' V.I.P Week. Additionally, we have been fortunate to receive grant funding through 'Nature Days' to assist with costing for this week. This will enable us to keep the cost to yourselves as low as possible, as the cost of transport has increased from previous years. The total cost of the week, including transport will be £98.00 per pupil. Consent forms, including additional information about the activities, will be sent out after the Easter break, along with a payment card for those that wish to pay the £98.00 in instalments.

I am sure the children will be very excited and looking forward to the events that will be taking place.

Yours sincerely

*G. Rees*

**Deputy Headteacher**
