

Cila Primary School Professional Learning Grant Spend Plan 2024 - 25

Focus Area as determined by the criteria in the Grant specification Document	There is an expectation that schools will maximise the efficacy of the funding by pooling their resources appropriately across clusters/structured networks to maximise the impact and level of funding.	The primary purpose of the funding is creating time in schools for practitioners to make the changes to practice they need to make in advance of the realisation of the new curriculum.
